

For children starting school in September 2025

At The Discovery School:

- We provide an outstanding education that develops happy, resilient and confident children.
- We are committed to enabling our children to achieve their full potential; academically, creatively and socially.
- We want our children to be aspirational and to have the self-confidence needed to exceed their own personal best.
- We believe that every child is a unique individual with a skill to be nurtured; potential is without limits.
- Visits to our lovely school to find out more are warmly welcomed.

Our school is amazing as it's fun, imaginative and creative. It's the best school in the world.
